RECREATION COMMITTEE

The recreation committee has been very busy this past year. As the recreation park stands now, the tennis courts are complete and were used quite extensively during the summer and fall months even though they were still being worked on. The committee voted to let Nancy Willard give tennis lessons during the summer as long as part of the proceeds were turned over to the recreation fund. We realized a profit of \$120.00 from this program.

The ball fields are nearing completion. Work on the fields was suspended this spring due to the ball season starting. After the busy season, (approximately 84 games were played) loam was spread on both fields, raked, seeded and fertilized. Hopefully they will be quite green by summer. The loam used on the fields was donated by Sonny Hastings. The purchase of outfield fencing for both ball fields and hauling in some clay are the last two projects left before the fields will be finished.

The committee sponsored a very successful New Year's dance of which we showed a profit of \$800.59 which will be used toward the purchase of outfield fences.

The skating rink and basketball area are still very much in the plans, but due to the lack of time we weren't able to erect the rink this year. The money is still earmarked for this project and hopefully it will be done this summer.

Swings and other entertaining devices are being introduced as time permits. When this project is completed (in the not too distant future) it will be an area the town can be proud of.

The committee would like to thank the townspeople for their support, patience (while being constructed) and understanding of this very worthwhile project.

The recreation committee took it upon themselves to pursue any possible avenues for monetary reimbursement of the stage curtain which had been stolen. Pauline Jordan put in many hours of research into this and managed to get a check from the insurance for \$300.00. This is a start toward replacing the curtain with a new one.

Respectfully,
GARY FULLER, Chairman

**TRI-TOWN AMBULANCE AND
EMERGENCY RESCUE SERVICE, Inc.**

We would like to introduce ourselves to a regular part of the Annual Town Report. We are the newly formed ambulance service preparing to be in service, April 1, 1981, when I. W. Andrews & Sons will terminate its service.

In December of 1980, we requested and gratefully received a part of our initial investment monies through the process of special town meetings. The support of the townspeople was overwhelming and we thank all who helped us to get started. We will be asking for your financial support at the annual meeting and in subsequent years.

At the time of this writing, extensive training is under way leading up to the licensure of future ambulance attendants. Continuous training is the most crucial part of maintaining a superior life-support unit. Training is also time-consuming and expensive to those dedicated individuals.

Plans are being finalized to purchase I.W. Andrews Ambulance to initially begin service and the purchase of a new unit is hopefully in the near future.

The bulk of the funding for our new unit will be through fund-raising events and private contributions. Anticipated plans for a door to door canvas in late March are under way.

After April 1st, 1981 when you need an Ambulance, call: 1-800-482-7433.

This number is part of the Regional Communications System at the Oxford County Sheriff's Office. They will dispatch our calls.

Thank you for your support in the past and thank you in advance for your future support.

Respectfully submitted,
SALLY G. WILSON
President/Coordinator

REPORT OF AUDITOR

CHARLES ROY WOODMAN
PUBLIC ACCOUNTANT
Readfield, Maine
685-3318

February 8, 1980

Board of Selectmen
Greenwood, Maine

I have examined the financial records of the Town of Greenwood for the year ended December 31, 1979. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

As part of our examination of Federal Revenue Sharing and Anti-recession funds transactions, we made a study of compliance matters, as prescribed by Section 51:101 of the Revenue Sharing regulations; with no exceptions noted.

In my opinion, the accompanying Balance Sheet and other exhibits present fairly the financial position of the Town of Greenwood at December 31, 1979 and the result of its operations for the period then ended in conformity with generally accepted principles of municipal accounting applied on a consistent basis.

C. R. WOODMAN
Public Accountant

COMMENTS

TOWN OF GREENWOOD

January 1, 1979 to December 31, 1979

An audit of the financial records maintained by the various officers of the Town of Greenwood has been completed for the municipal year ended December 31, 1979.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following comments, exhibits and supporting schedules.

Net departmental balances lapsed to general fund surplus amounted to \$14,182.32. This was occasioned by unexpended balances in excise tax and overlay accounts (Exhibit D). Most unexpended balances were carried forward to 1980 at the direction of the Selectmen.

ASSETS . . . The general fund cash balance of \$55,528.64 was reconciled with a statement furnished by Casco Bank and Trust Co., Bethel, Maine.

Accounts receivable of \$1,321.56 consisted principally of balances due from the County for CETA activities.

Taxes receivable of \$56,120.23 represented the uncollected balance of the 1979 commitment of \$55,416.66 and a balance of \$703.57 from prior years.

Tax liens amounted to \$6,930.43 at the year end, while tax acquired property totaled \$1,204.04.

LIABILITIES . . . The Town had no recorded liabilities at the year end.

SURPLUS . . . Appropriation account balances carried forward to the ensuing year amounted to \$42,292.91, and represented departmental balances carried forward at the direction of the Selectmen.

The unappropriated surplus amounted to \$78,964.59 at the year end, an increase of \$14,105.10 for the period.

REVENUE SHARING FUNDS . . . available from the State amounted to \$7,591.95 and \$7,477.31 was applied to reduce the tax rate. Federal revenue sharing funds available amounted to \$54,700.72, of which \$21,000.00 was used as voted by the Town. Details are shown on Exhibit F.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were utilized to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at December 31, 1979, and the result of its operations for the year then ended.

The federal government requires that there be a director of Civil Emergency Preparedness in each municipality. He is charged with advising the selectmen and with coordinating the emergency services of a town during a disaster. If our town's citizens and government are to receive aid in the event of a disaster, it is vital to be on the scene quickly with a trained and equipped staff. This is going to be one of our aims during the coming year. Others will be the upgrading of first aid supplies and the purchase of surplus equipment for town use.

Respectfully submitted,
RAYMOND W. SEAMES
Director, C.E.P.

REPORT TO THE TAXPAYERS OF GREENWOOD

The new roadway connecting Route 26 and the Howe Hill and Greenwood-Norway Roads was completed by the State Highway Department during 1980 at a cost of \$7,719. to the taxpayers of Greenwood.

Hopefully a portion of the road near Mud Pond will be starting this year. With matching funds by the state, the amount of \$34,734. will be committed.

The state valuation of Greenwood for 1981 will be \$16,250,000. an increase of 12%.

The auditor's report will not be listed in the Town Report because of the printing deadline. Instead the 1979 Audit will be listed. A copy of the 1980 Audit will be available to any interested taxpayer upon completion.

The Assessor will again be working weekends in the months of April, May and June. Buildings will be valued by the 1980 State Manual.

The Selectmen have made our recommendations concerning a number of requests. In order to keep town employee's salaries on the level as they have previously been, we have increased some and lowered other requests.

We have been very fortunate in having Diane doing the bookkeeping, reports, and getting the work done, and in having Norman assisting the Road Crew. Without their help, it would have been a very difficult year for the Town.

HERBERT E. DUNHAM, Chairman
Board of Selectmen
Town of Greenwood
